## Who Are We

Shivajirao Kadam Institute of Technology and Management - Technical Campus (SKITM) is under the aegis of Transnational Knowledge Society, which was founded in the year 2008. Under the visionary leadership of renowned academician Prof. Shivajirao Kadam, the Institution aims to transform the lives of its students and establish itself as the center of excellence in the state of Madhya Pradesh. The institute works on three key principles - Skill, innovate and Transform. Our unique methodology distinguishes us from the rest of the institutions. We are highly focused on practical aspects of education, we aim to make our students ready to take up the real world challenges which the industry poses at them. With the unrivalled leadership and the guidance of our Mentors, SKITM is changing the design and nature of education. We are certain that in the coming few years, SKITM will be recognized for the impact its teaching will have on its students and the community at large.

Transnational Knowledge Society's  
Shivajirao Kadam Institute of Technology  
& Management - Technical Campus

Skill.Innovation.Transformation

An ISO 9001:2015 Certified Institute

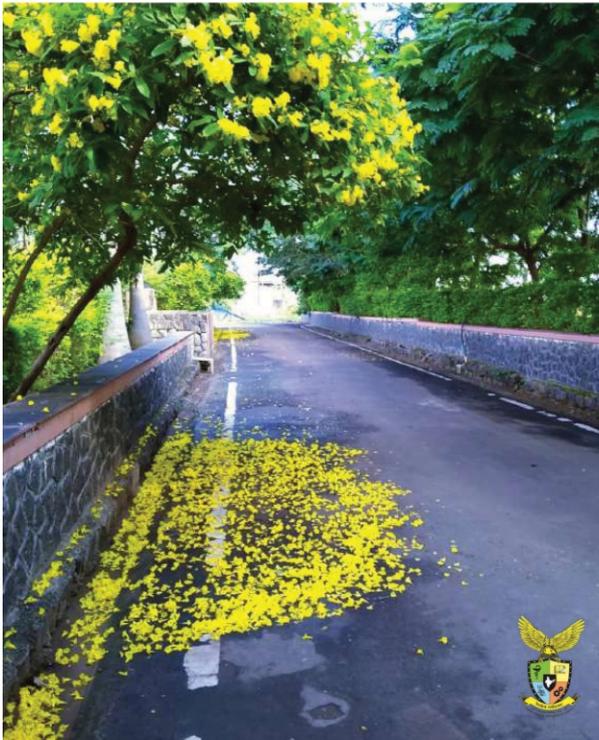

“

We teach our students how they can be the part of the change they want to see in the world

”

# Our Vision

We at SKITM aim to become synonymous with quality education through academic excellence & innovation. We are committed at creating and sustaining the conditions that enable all our students to experience an unparalleled educational journey that is academically, socially and personally transformative.

# Our Mission

- **Creating an environment which fosters discussion among the students & faculty for foundation of novel ideas.**
- **To produce competitive and academically empowered stakeholders, who stand at the forefront of the employment curve.**
- **To help students become well-rounded individuals, who can think critically about issues from multiple perspectives, communicate effectively and become leaders with a commitment to public service.**
- **Provide students with real world experience through extensive training, practice based learning and industrial exposure.**
- **To provide top quality education at an affordable cost.**
- **Create world class infrastructure for a better learning experience.**
- **To establish ourselves as the center for innovation & creativity.**
- **To become a top school in India, which is academically and socially recognized for its impact on the industry and the society.**
- **To have a strong alumni base across the world at positions of power.**
- **To develop partnerships with globally and nationally recognized institutions and organisations.**
- **To promote professionalism, gender equality, transparency & ethics.**
- **To play an instrumental role in societal transformation.**
- **To be stimulant in the growth of the region.**
- **Create an environment of holistic learning.**
- **To have an increasing value of our degree over the years.**

# Our Chairman

**Prof. Shivajirao Kadam** is an eminent academican, administrator & institution builder. He has over 40 years of experience in education sector, during which he has published countless research papers, lead top education institutions, held prominent positions in various government bodies like UGC, Pharmacy Council of India, NAAC, etc. Under his leadership, Poona College of Pharmacy transformed into one of the leading pharmacy research institutions of India. Since 2018, he is serving as the Chancellor, Bharati Vidyapeeth Deemed University, Pune.

# Our Mentors

In our Mission of becoming a Center of Excellence in Central India, we are supported by the Guidance of our Mentors, who are the leaders of the Industry, Corporate World and Academics

## **Prof. D.P. Agrawal**

Former Chairman, UPSC

## **Mr. Sanjeev Pendharkar**

MD, Vicco Laboratories

(PVBU), Tata Motors

## SKITM Incubation Cell

To promote entrepreneurship, innovation & betterment of society, SKITM has created an incubation cell corpus of Rs. 50 Lakh for investing in our student startups over the next 5 years.

Money will be invested in various SKITM student startups and entrepreneurship activities to help the students develop an entrepreneurial spirit.

The Incubation Cell has been formed with the following objectives :-

- It will help in generation of new ideas, products & services.
- It will give them an experience of pitching ideas to investors & how to raise funds.
- It will provide them an early understanding of running a business.
- It will help launch their careers as successful entrepreneurs and businessman.

## Our Approach

“ We are highly focused on practical aspects of education, we aim to make our students ready to take up the real world challenges which the Industry poses at them. With the unrivalled leadership and the guidance of our mentors, SKITM is changing the design and nature of education. Our Extensive Training Sessions, Unique Teaching Methodology, Strong Collaborations, Impactful Certifications and Partnerships make us the leading institute in Central India. ”

## Schools @ SKITM

# Our Partners & Certifications

## Approvals & Affiliations

## Courses Offered

### Shivajirao Kadam Institute of Technology & Management -Technical Campus

- B.Tech Computer Science Engineering - 180 Intake
- B.Tech Civil Engineering - 90 Intake
- B.Tech Mechanical Engineering - 90 Intake
- B.Tech Electronics & Communication Engineering - 60 Intake

### Faculty of Management Studies

- M.B.A. - 180 Intake
- Integrated MBA - 60 Intake

### Shivajirao Kadam Institute of Pharmaceutical Education & Research

- B. Pharm - 100 Intake
- Diploma in Pharmacy - 60 Intake

### College of Professional Studies - ATC

- BBA - 60 Intake
- B.Com - 60 Intake
- B.Com (Honours) - 60 Intake
- B.Com (Computer Application) - 60 Intake
- B.Com (Tax Procedure) - 60 Intake

## Facilities

- Auditorium
- Computer Labs
- Labs for Specific Subjects
- Machinery for Specific Departments
- Testing Equipment for Relevant departments
- Amphitheater
- Cricket Ground
- Volleyball Court
- Canteen
- Air Cooled Classes
- CCTV Surveillance
- Digitally equipped library
- Smart Classes
- Buses - Transport Facility
- Language Labs
- Audio Visual Rooms
- Wi-Fi Enabled Campus
- Indoor Sports Facilities
- Football Ground

## Development Underway

- Cricket Pavilion
- Gymnasium
- Basketball Court
- Biometric Entry Points
- Recreation Spaces
- Residential Facilities

# Student Clubs & Societies

## Entrepreneurship Cell (CIED)

The SKITM Tribunal

## Women Development Cell

Enactus

## Debating Society

Cultural Society

## Modena - SKITM Racing Team

Tech Club

## Placement Cell

Media & Marketing Club

## Consulting Club

Knowledge for All

## Sports Club

## CPS Club

# Training, Workshops & Seminars

- Amazon Web Services (AWS Academy)
- Oracle Academy Member Program
- UiPath RPA Academy
- NPTEL- Python Programming, Scilab, C & C++, etc
- Data Science and Big Data Analytics
- Internet of Things (IoT)
- Cloud Computing with AWS
- MATLAB Applications
- PCB Designing & Fabrication
- Industrial Automation using PLC and SCADA
- Information Security Services
- SAP usage and application
- Embedded Systems and Applications of AVR Microcontroller
- CREO Software
- AFT Fathom
- CNC Simulator
- Demonstration of Engine supplied by BMW
- Testing Machine training on Universal Testing Machine (UTM), Hardness Tester, Impact Tester, etc.
- CNC Drilling Trainer
- Workshop on software SAP and STAADPro, Auto CAD, etc.
- IEEE Training Programs
- Industrial Visits to Several Factories, Warehouses, Workshops
- More than a dozen labs for training of Mechanical Engineers
- Case Studies & Group Discussions on regular basis
- Personality Development & Career Development Sessions
- Training in MS Excel & PowerPoint, Digital Media Marketing, Financial Modelling, Data Analytics & R Programming
- Regular Speaker Events & Seminars for frequent Industry Interaction

**There are several more impactful training available, you can have a look at them by visiting our website- [www.skitm.in](http://www.skitm.in)**

# A GLANCE@Placements

The Corporate Relations Division (CRD) at SKITM works on its mission to help every student to get the first job as well as developing further sustainable career by providing a proactive mechanism of assessment, grooming, counseling, and placement support services. The entire team at CRD tirelessly works at developing the Industry – Academia interaction through a wellplanned portfolio of activities. CRD constantly strives to provide placement opportunities to every student of SKITM Group of Institutes.

The CRD team ensures to slot in industry experts on campus in order to impart the inputs apart from the regular classroom teaching-learning process. As a part of this Industry institute Interaction eminent personalities from various esteemed organization do visit campus and give their valuable inputs to the budding graduates and post-graduate students.

Leading IT, ITES, Manufacturing, Automobile, Banking and Financial Services, Insurance, FMCG; organizations conducted campus recruitment process for students of SKITM in the academic year 2020-21.

## Our Recruiters

## Internships

At SKITM we provide internship opportunities to our students at reputed organizations. An internship is the phase of time for students when they are trained for their skill they are good at and it gives them a chance to apply their knowledge practically in industries. There is a paradigm shift in the thinking pattern of the interns as they learn to look at engineering as a means of developing sellable products by applying scientific knowledge instead of only purely academic pursuit for getting marks. They thus dream of becoming professional, practicing engineers instead of mere degree holders. The industry would also benefit due to this initiative if internships smoothly dovetail into final year projects and subsequent employment of these industry-ready students. Students had received stipend upto Rs. 10000 depending on their performance.

The benefits of pursuing internship are as follows :

- ⌘ Real Time Industry Experience and Exposure
- ⌘ Helps to develop Professional Network
- ⌘ Add Values, Skills and Experience to the CV
- ⌘ Learn Company Culture and Soft Skill
- ⌘ Makes you industry ready

## Admissions

### Process

- **B.Tech in CSE, ECE, ME, CE departments, B.Pharm, Integrated MBA Diploma in Pharmacy** - Through Counselling Committee and Director Technical Education (DTE), Government of M.P. Online off-campus procedure and also College Level Counselling as per DTE norms.
- **MBA** - CMAT Counselling or Through Counselling Committee and Director Technical Education (DTE), Government of M.P. Online off-campus procedure and also College Level Counselling as per DTE norms.
- **B.Com** - Online admission as per directives of the Department of Higher Education of Government of MP. Online off-campus counselling by Department of Higher Education and College Level Counselling.

### Eligibility

- **B. Tech** - 12th Std. in PCM from any affiliated board, with atleast 45% marks for General & 40% marks for SC, ST & OBC.
- **B.Pharm/ D.Pharm** - 12th Std. in PCM or PCB from any affiliated board, with atleast 45% marks for General & 40% marks for SC, ST & OBC.
- **MBA** - Graduate in any discipline with atleast 50% marks for General and 45% marks for SC, ST & OBC.
- **BBA** - 12th Std. from any affiliated board, in any stream, with atleast 45% marks.
- **Integrated MBA** -12th Std. from any affiliated board, in any stream, with atleast 45% marks for General & 40% marks for SC, ST & OBC.
- **B.Com** -12th Std. from any affiliated board with Science or Commerce Streams.
- **B.Com (Honors)** -12th Std. from any affiliated board with Science or Commerce Streams with minimum 60% marks.

## THE SKITM DIFFERENCE

- Lead by an unrivaled leadership of eminent academicians and institution builders.
- We are mentored by leading industrialists, corporates and academicians.
- We provide our students a platform to get in touch with eminent personalities who have provided their patronage to our Institute.
- The SKITM campus is set in the backdrop of the serene Ralamandal Sanctuary. It is safe, peaceful & conveniently located.
- Our campus is spread over 12 acres with over 300000 sq.ft. of top class infrastructure. Moreover, a host of new infrastructural developments are underway at SKITM, which will make us state of the art.
- Extensive training, seminars, workshops and speaker events mark our unique teaching methodology, which puts a great emphasis on the practical aspects of learning.
- Round the year placement training, from the first year, helps our students perform exceptionally well for their placements.
- Our certifications, industry tie-ups and extensive training put our students at the forefront of the employability curve.
- We have a well stocked library & a host of labs, machinery and equipment for the various subjects that we offer.
- A very active student life with various student clubs and societies and an academic calendar dotted with events and activities.
- Our highly impactful national and international collaborations give our students opportunities which no other institutions can offer.
