

SKITM, INDORE

**Department of Civil Engineering
III Year/ VI Semester
MST-I (Quiz)**

Subject: CE-604(C)/ Environmental Impact Assessment (EIA)

Maximum Marks: 10

Duration:- 30 min

*** Answer the Multiple choice Questions.**

- (1) What is the full form of EMP?
(a) Environment Managing Purpose (b) Examine Management Proposal
(c) Environmental Management Plan (d) Economic Management Plan
- (2) EIA identifies _____ of a project.
(a) Environmental Impacts (b) Social Impacts
(c) Economical Impacts (d) All of these
- (3) Alternative solutions are identified in which stage of EIA?
(a) Review (b) Monitoring (c) Impact Analysis (d) Scoping
- (4) _____ Report is submitted to the concerned authority?
(a) EMP (b) EIA (c) Review (d) Detailed
- (5) Environmental Auditing is carried out in which stage?
(a) Screening (b) Scoping (c) Monitoring (d) Impact Analysis
- (6) Soil Erosion, Waterlogging, Flooding and Pollution are categorized under which Impact?
(a) Ecological Impact (b) Impact on Human Interest
(c) Physico-Chemical Impact (d) Chemical Impact
- (7) Who carries out the data collection for monitoring indicators?
(a) The project's implementers (b) National governments
(c) International development banks or aid agencies (d) Independent agencies
- (8) What are the Significant Environmental Impacts?
(a) Hazardous Waste (b) Mixes Waste (c) Radioactive Waste (d) All of These
