ACTION TAKEN REPORTS ON STUDENT'S FEEDBACK ON CURRICULUM

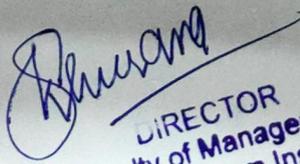

Action Taken Report 2020-21

When we took feedback from students then they have their opinions on curriculum design and development. As our programme curriculum was designed and developed by DAVV University and we follow the same so in feedback students expressed their suggestions and expectations for the same.

S.No.	Suggestions and Expectations	Action Taken
1	Expectations of more Personality Development classes	Institute has already accommodated English, Aptitude, Language and Personality Development classes in Timetable.
2	Improvement in Placement Packages	Advised to Placement cell for more Placements with good Job profile and Package.
3	Extracurricular activities need to be more	Institute is doing activities according to road map. On the basis of suggestions we were more focused on planning of Industrial visits, Workshop, field work and adventures trips for students.
4	Depth of the Course Content	As per suggestions we have organized mock exam sessions for students also advised faculties to give old exam questions and question banks to students.
