CRITERION 6 – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 Institutional Vision and Leadership

6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution

Shivajirao Kadam Institute of Technology and Management (SKITM) was founded in the year 2019, with its first intake as SKITM in 2020, after taking over the Erstwhile Acropolis Technical Campus. SKITM is under the aegis of Transnational Knowledge Society, which was founded in the year 2008. Under the visionary leadership of renowned academician Prof. Shivajirao Kadam, the institution aims to transform the lives of its students and establish itself as the center of excellence in the state of Madhya Pradesh. The institute works on three key principles – Skill, Innovate and Transform. Our unique methodology distinguishes us from the rest of the institutions. We are highly focused on practical aspects of education, we aim to make our students ready to take up the real world challenges which the industry poses at them.

Vision

We at SKITM aim to become synonymous with quality education through academic excellence & innovation. We are committed at creating and sustaining the conditions that enable all our students to experience an unparalleled educational journey that is academically, socially and personally transformative.

Mission

1. Creating an environment which fosters discussion among the students & faculty for foundation of novel ideas.
2. To produce competitive and academically empowered stakeholders, who stand at the forefront of the employment curve.
3. To help students become well-rounded individuals, who can think critically about issues from multiple perspectives, communicate effectively and become leaders with a commitment to public service.
4. Provide students with real world experience through extensive training and Industrial exposure.
